RULE 1007-2. MAILING - LIST OR MATRIX

A petition initiating a case under the Bankruptcy Code shall be accompanied by a separate, unattached mailing list matrix containing the name, address and zip code of all creditors and parties in interest to be notified of the case. The mailing list shall be submitted on 8-1/2 inch x 11 inch size paper. The debtor is required to obtain from the Clerk of Court the most current version of the court document entitled

SPECIAL REQUIREMENTS FOR MAILING LIST MATRIX ([Local Form No. 1](#)). The mailing list matrix must fully comply with the specifications set forth in Local Form No. 1. The court may dismiss sua sponte any petition which is not accompanied by a mailing list matrix in compliance with the specifications set forth in Local Form No. 1.

A mailing list matrix must be accompanied by a verification in compliance with the form attached to **SPECIAL REQUIREMENTS FOR MAILING LIST MATRIX (Local Form No. 1, Attachment No. 2)**. The court may dismiss sua sponte any petition that is not accompanied by a Verification of the Mailing List Matrix.

In addition to the original mailing list matrix, a copy thereof (with each page marked "copy") shall be filed with the Clerk of Court. The Clerk of Court shall transmit the copy of the mailing list matrix to the office of the U.S. Trustee.

If the debtor is a corporation the names and addresses of the officers and equity security holders of the corporation shall be included on the mailing list matrix. If the debtor is a partnership the names and addresses of all the general partners shall be included on the mailing list matrix.

In a case with more than 300 creditors the mailing list matrix may be submitted on a diskette in a format specified by the Clerk of Court.

The Clerk of Court shall not be required to compare the names and addresses on the petition and schedules or amendments thereto with the names and addresses on the mailing list matrix. The accuracy of the names and addresses of entities to be notified of the bankruptcy proceeding as set out on the mailing list matrix (whether provided on diskette or paper) is the responsibility of the debtor and/or counsel for the debtor.

A notice of appearance or request to receive a special notice or a change of address request made by a debtor or creditor or other party in interest shall be accompanied by an addendum to the mailing list matrix identifying the name and address of the party to be added to the list of creditors. The addendum to the mailing list matrix shall comply with the specifications set forth in Local Form No. 1. delay adding the party's name to the mailing list until the conforming addendum to the mailing list matrix is provided.

RULE 1071-1. DIVISIONS- BANKRUPTCY COURT

The divisions of the Bankruptcy Court shall be the same as the jury divisions of the United States District Court for the Eastern District of Kentucky as set out in LR 3.1(a) of the Joint Local Rules for the United States District Court for the Eastern and Western Districts of Kentucky, except the division identified therein as the London Division shall be identified as the Corbin Division of the Bankruptcy Court. Bankruptcy petitions shall be assigned by the clerk to the division of the Bankruptcy Court which encompasses the county in which the debtor resides at the time of filing. For purposes of this rule the residence of a partnership shall be the county in which the principal business of the partnership is located, and the residence of a corporation shall be the county in which the corporation maintains its registered office.

A motion that hearings in a chapter 7 bankruptcy case be held in a division of the court other than the division to which the case is assigned shall be filed with the original petition. Such a motion filed after the date of appointment of a trustee may be granted only for good cause shown that outweighs the inconvenience of the trustee having to travel to a different division of the court to attend hearings in the case.

RULE 2002-1. NOTICE TO CREDITORS & OTHER INTERESTED PARTIES - GENERAL 10 DAY NOTICE REQUIREMENT

Unless the Federal Rules of Bankruptcy specifically state otherwise, any notice of hearing shall include a certificate of service indicating that each party served has been given at least 10 days' notice of the hearing date. At the discretion of the court, emergency matters may be heard on less than 10 days' notice when accompanied by a motion to shorten the time provided by this rule.

In chapter 11 cases, with the exception of the notice of the meeting pursuant to 11 U.S.C. § 341, noticing shall be the responsibility of the debtor in possession or the attorney for the debtor in possession or, if a trustee has been appointed, the trustee or the attorney for the trustee.

RULE 2016-1. COMPENSATION OF PROFESSIONALS - REQUIREMENTS - SUPPLEMENTAL FEE APPLICATIONS

In addition to the requirements of Rule 2016 of the Federal Rules of Bankruptcy Procedure, applications for the allowance of compensation or expenses of a professional person appointed under section 327 or 1103 of title 11 must have attached thereto a copy of the order of retention or authorization.

Supplemental fee applications shall, in the same manner as original fee applications, contain all the information required by Rule 2016 of the Federal Rules of Bankruptcy Procedure.

RULE 3001-1. CLAIMS AND EQUITY SECURITY INTERESTS - GENERAL

Each proof of claim, with supporting documents evidencing the claim and the perfection of a security interest, if any, shall be submitted in duplicate, one original copy, complete with supporting documents, for the court case file, and one conformed copy, complete with supporting documents, for the trustee's case file. The original copy, which must bear the original signature of the claimant, shall be retained by the clerk in the court case file. The conformed copy, which may bear a photocopy of the claimant's signature, but which otherwise shall be complete in all respects with supporting documents, shall be forwarded by the clerk to the trustee.

The trustee shall examine and object to any defective or insufficiently documented claim, if any useful purpose would be served thereby.

Upon request, the Clerk of Court shall provide claimants with instructions for filing proofs of claim.

The requirements for filing in duplicate and documenting proofs of claim apply with equal force to any proof of an equity security interest in a debtor corporation.

RULE 3002-1. CLAIM - PROOF OF BY CREDITOR HOLDING A SECURED CLAIM IN CHAPTER 13 CASE

A proof of claim in conformity with Local Rule 3001-1 by or on behalf of a creditor, including a creditor holding a secured claim, other than a claim secured by an interest in real estate, must be filed in a chapter 13 case before the debtor or trustee may make payments to such creditor in accordance with the plan. Proof of a secured claim filed after the expiration of the time fixed by Rule 3002(c) of the Federal Rules of Bankruptcy Procedure for filing claims shall be allowed only to the extent of the value of the collateral securing the claim.

RULE 3003-1. CLAIMS - CHAPTER 11 CASE

Unless the court for cause shown orders otherwise, the cutoff date for filing unsecured claims or claims scheduled as disputed, contingent, or unliquidated in a chapter 11 case shall be the date of the order approving the disclosure statement.

RULE 3009-1. DIVIDENDS - CHAPTER 7 ASSET CASES - DEADLINE FOR AMENDING CLAIMS

When estate funds are available in a chapter 7 case for payment of a dividend to creditors holding allowed unsecured claims, the deadline for filing an amended claim for any deficiency remaining after the liquidation of collateral or for requesting an extension of time within which to file an amended claim shall be the date of the final hearing on applications for compensation or, in divisions other than the

Lexington division, if applications for compensation are filed on a notice and opportunity basis, such deadline shall be the last date for objecting to such applications for compensation in accordance with the notice. No dividend shall be paid on an amended claim filed after that date by a creditor who did not timely request an extension of time within which to amend the claim.

RULE 3015-1. CHAPTER 13 - PLAN - SERVICE OF PLAN

(a) Form of Plan. A chapter 13 plan shall conform substantially to Form No. 2 with such alterations as may be appropriate to suit the circumstances.

Concurrently with the filing of the plan the debtor or the debtor's attorney shall cause a copy of the plan to be served by first class mail upon all creditors of the debtor and other parties in interest. The debtor or the debtor's attorney shall file with the plan a certificate of service in the form prescribed by Form No. 3 certifying that a copy of the plan has been served by first class mail upon all creditors of the debtor and parties in interest.

RULE 3015-2. CHAPTER 13 - AMENDMENTS TO PLANS - SERVICE OF PLAN

A modified chapter 13 plan shall be served upon all creditors and parties in interest and shall be accompanied by a certificate of service in the same manner as the original plan. The modified plan and the order confirming a modified plan shall identify the plan as the First, Second, etc. Modified Plan Dated _____.

RULE 3015-3. CHAPTER 13 - CONFIRMATION ([SEE ALSO Standing Order of 8/1/2000](#))

(a)(1) Objections to Confirmation. An objection to confirmation of a chapter 13 plan is governed by Rule 9014 of the Federal Rules of Bankruptcy Procedure. Such objection shall be filed with the court not later than 10 days prior to the hearing on confirmation of the plan, shall be served upon the debtor, the attorney for the debtor and the chapter 13 trustee, and shall be noticed for hearing at the hearing on confirmation of the plan. An objection by a creditor to the recommendation of the chapter 13 trustee as to the allowed amount of the secured claim of such creditor may be presented at the hearing on confirmation of the plan.

(2) Hearing on Confirmation. The court shall rule on confirmation of a chapter 13 plan after hearing on notice to the debtor, the attorney for the debtor, and all creditors, including creditors holding secured claims, and any creditor who has timely filed an objection to confirmation of the plan. Notice of the hearing on confirmation of a chapter 13 plan may be combined with the notice of the meeting of creditors given pursuant to Rule 2002 of the Federal Rules of Bankruptcy Procedure. If no objection is timely filed, the court, without hearing evidence, may find that the plan has been proposed in good faith and not by any means forbidden by law.

(b) Order of Confirmation. The order of confirmation of a chapter 13 plan shall conform substantially to

Form No. 4 and a copy of the order shall be served promptly upon the debtor or the attorney for the debtor, the chapter 13 trustee, and any creditor who timely filed an objection to confirmation of the plan.

RULE 3017-1. DISCLOSURE STATEMENT - APPROVAL

In a chapter 11 case the proponent of a disclosure statement and plan shall prepare and submit an order setting the date of the hearing for consideration of the disclosure statement.

The order shall fix a cutoff date for filing objections to the disclosure statement which ordinarily shall be five days in advance of the date of the hearing for consideration of the disclosure statement.

The order may indicate the cutoff date as fixed by E.D. Ky. LBR 3003-1 for filing unscheduled claims or claims scheduled as disputed, contingent, or unliquidated.

The proponent of the disclosure statement and plan shall cause copies of the order setting the hearing for consideration of the disclosure statement to be served upon the debtor, creditors, equity security holders and other parties in interest as provided in Rule 2002 of the Federal Rules of Bankruptcy Procedure and along with the order shall mail copies of the disclosure statement and plan to the parties specified in Rule 3017(a) of the Federal Rules of Bankruptcy procedure.

RULE 3020-1. CONFIRMATION OF CHAPTER 11 PLAN - HEARING ON

The proponent of a disclosure statement and plan shall prepare and submit an order setting the date of the hearing on confirmation of the plan.

The order shall fix a cutoff date for filing objections to confirmation of the plan which ordinarily shall be ten days prior to the date of the hearing on confirmation of the plan.

The order shall fix the time within which holders of claims or interests may accept or reject the plan which ordinarily shall be fifteen days in advance of the hearing on confirmation of the plan.

The proponent of the plan shall cause a copy of the order setting the hearing on confirmation of the plan along with the disclosure statement and plan and a ballot conforming to the appropriate Official Form for acceptance or rejection of the plan to be served by mail upon all creditors and equity security holders entitled to vote on the plan, and the United States Trustee, as directed by Rule 3017(d) of the Federal Rules of Bankruptcy Procedure.

RULE 4001-1. AUTOMATIC STAY - RELIEF FROM

Rule 9014 of the Federal Rules of Bankruptcy Procedure mandates that relief from stay be requested by motion. The motion shall be styled in the same manner as the bankruptcy case and not as an adversary proceeding. A request for relief from stay appearing in the context of a complaint commencing an

adversary proceeding, or in an answer, counterclaim, cross-claim, intervening complaint or third party complaint filed in such a proceeding, unless also requested by separate motion filed in the related bankruptcy case, shall be deemed as consent for the stay to remain in effect until final disposition of the adversary proceeding.

A motion for relief from stay pursuant to section 362(d) of the Bankruptcy Code with respect to an interest of the movant in property (of the estate or of the debtor) shall conform substantially to Form No. 5, with such alterations as may be appropriate to suit the circumstances. The motion shall be accompanied by --

- (1) a proof of claim with supporting documents establishing the perfected security interest or other interest of the movant in property that is the subject of the motion; and
- (2) a certificate of service indicating that parties in interest have been served in a manner provided by Rule 7004 of the Federal Rules of Bankruptcy Procedure with a copy of the motion and the documented proof of claim.

In a chapter 7, chapter 12, or chapter 13 case service shall be made upon the debtor, counsel for the debtor, and the trustee. In a chapter 11 case service shall be made upon the debtor in possession, counsel for the debtor in possession, or if a trustee has been appointed, upon the trustee and counsel for the trustee. Service also shall be made upon counsel employed by a committee or alternatively upon each member of the committee. In a chapter 11 case in which a committee has not been appointed service shall be made upon the creditors on the list filed pursuant to Rule 1007(d) of the Federal Rules of Bankruptcy Procedure and the United States Trustee.

A motion for relief from stay pursuant to section 1201 or 1301 of the Bankruptcy Code shall be served upon the codebtor as well as upon the debtor, counsel for the debtor, and the trustee. The motion shall be accompanied by a proof of claim with supporting documents evidencing the signature of the codebtor.

A motion for relief from stay for the purpose of pursuing a cause of action against the debtor, i.e., an action for damages for which an insurance carrier may be liable, shall set out in detail relevant information concerning the action.

An order granting relief from stay may be entered without an actual hearing unless a party in interest responds and requests a hearing within the time fixed in the motion, which shall be not less than 15 days from the date of service of the motion, plus the additional three days allowed by Rule 9006(f) of the Federal Rules of Bankruptcy Procedure when service is by mail. The response and request for a hearing shall state the grounds for opposition to the motion and shall give notice of the place, time and date of the hearing thereon, which unless otherwise agreed by the parties or ordered by the court for cause shown, shall be not later than 30 days after the date the motion for relief from stay was filed with the court. The hearing on the response may be treated as a preliminary hearing on the motion for relief from stay and the stay may be continued in effect for the limited time permitted by title 11 U.S.C. § 362(e)

pending conclusion of the final hearing.

An agreed order granting relief from stay will not be entered by the court unless the party to be accorded relief has filed a proof of claim with supporting documents establishing the perfected security interest or other interest of the party in the property that is the subject of the agreed order.

The objection shall be served upon the person claiming the exemption and the attorney for such person within the time fixed by Rule 4003(b) of the Federal Rules of Bankruptcy Procedure and in a manner provided by Rule 7005(b) of the Federal Rules of Bankruptcy Procedure.

An order sustaining the objection may be entered without an actual hearing unless the person claiming the exemption responds and requests a hearing within the time fixed in the objection, which shall be not

less than 15 days, plus the three additional days allowed by Rule 9006(f) of the Federal Rules of Bankruptcy Procedure when the objection is served by mail. The response and request for a hearing shall state the grounds for opposition to the objection and shall be noticed for a hearing on a regularly scheduled date fixed by the court for hearing such objections.
